Production Update

May 28, 2012

You might remember from our last Production Update that we were headed to **Los Angeles** for FROM ZIM's **sneak previews**.

To steal an expression from Matron,
"It was an amazing time!"

sound check with Gogo on the big screen

Audiences fell in love with Gogo, Sindiso and Matron. Their eager and enthusiastic participation in the Q&A sessions following the screenings overwhelmed me. The audience totally got the messages the film was trying to convey. Endless thanks to Marlene Simon and Mt. St. Mary's College for graciously hosting our sneak previews and the Gallery reception.

Two weeks later, FROM ZIM screened at its **IRSL film festival** in Riverside, CA and was voted Audience Favorite-Documentary and won the Jurors' Award for Best Documentary

How do we top that?
**The New Mexico Premiere
on July 10th!**
